

Physicians Receptions, Fall 2010

A Community Recognition and Appreciation “Come and Go” Tea was held for Dr. Richard Wray on October 23, 2010 in the Olds United Church Upper Hall. This event was to honour Dr. Wray for his 54 years of dedicated service to the community of Olds and surrounding region.

About 150 community members turned out to thank Dr. Wray.

Thanks to the Olds Institute for Community & Regional Development’s Physician Recruitment & Retention Committee and to the Olds United Church’s U.C.W. for hosting this event. Thanks also to Mayor Dahl for expressing our community’s appreciation for his service.

The Olds Institute for Community & Regional Development's Physician Recruitment & Retention Committee hosted a Welcome & Appreciation Dinner on October 21, 2010 for our new and current physicians and spouses. We were fortunate that 10 doctors were able to attend and enjoyed an evening together to just socialize.
